British Journal of Educational Technology

INDEX

Volume 17: January–October 1986

This index is a combined list of subject, title and author. Titles of articles and books reviewed are set in italics; authors of articles are in full capitals; authors of reviews or of books reviewed are in small capitals. In the references, the volume number is set in bold type, followed by the issue number in parentheses, and finally by the page numbers.

APL (programming language) **17** (1) 78
Academic staff
  curriculum development **17** (2) 103–109
  handouts **17** (2) 84–93
  see also Teachers
Adult education
  Australia **17** (3) 212–222
  study approaches **17** (3) 212–222
  see also Distance teaching
AECAL (authoring system) **17** (2) 118–121
Analysis of the cost-effectiveness of educational radio in Nepal **17** (3) 173–185
Animation **17** (3) 196, 198, 200, 210
Approaches to study of distance education students **17** (3) 212–222
Appropriate Instructional Media Selection (AIMS): an issue in educational technology in the Nigerian school system **17** (2) 94–103
ARMISTEAD, Pend **17** (3) 185–193
Assessment
  curriculum development models **17** (2) 103–109
  see also Tests
Audio discs **17** (2) 118
Audio-Enhanced Computer-Assisted Learning
  see AECAL
Audiotape **17** (1) 43, 56–57, (2) 110–128, (3) 200–202
AUDIOTEXT (authoring system) **17** (2) 123–124
Audio-visual aids
  developing countries **17** (2) 94–103
  effectiveness **17** (3) 185–193
  finance **17** (2) 98
  research **17** (3) 185–193
  selection **17** (2) 94–103
  staff **17** (2) 99–100
  teacher attitudes **17** (3) 185–193
  see also Audiotape, Films, Media, Microfiche, Slides, Videodiscs
Audio-visual equipment
  developing countries **17** (2) 94–103
  finance **17** (2) 98, (3) 172–173
  low *versus* high technology **17** (2) 94–103
  power supply **17** (2) 99, (3) 172
  staff **17** (2) 99–100
  see also Microfiche, Tape recorders, Videorecording
Australia **17** (3) 212–222
Australian National University **17** (3) 216
Author languages **17** (1) 26–35, 78–79, (2) 110–128, (3) 194–212

BBC
